

## Business Environment Sponsors St Joseph's Catholic Primary School Rugby Team

Last year BE donated a new Rugby Kit for St Joseph's Catholic Primary School.

They recently took part in the Harrow Rugby Tournament and their coach was pleased to say:

*"We are extremely grateful for your sponsorship and for providing the team with rugby kits, this was a great boost for their morale and although they didn't come first they won several matches."*

*"Thank you on behalf of all the children of St Joseph's School."*
