children's charity

The competition was on between David and Simon to see who could raise the most amount of money from their Collection Boxes for Rays of Sunshine...

It was that time again when the Rays of Sunshine Collection Boxes in the Directors office were brimming over with coins!

The competition was on between David and Simon to see who had raised the most...

After a long wait (counting lots of coppers and silver does take time!) the results were in...

Bernard raised - £21.72

David raised - £67.62

Simon raised - £100.15

Well done to Simon for collecting the most and well done to all for raising a total of £189.49 for Rays of Sunshine!
