## The Basingstoke Team raised £370 for Rays of Sunshine

The team at Basingstoke, ViewPoint were able to raise £370 for Rays of Sunshine by asking for book donations!

A client at ViewPoint who dealt with proof copies of new books left quite a few in their office when they vacated. As they left they told the ViewPoint Team that they could do whatever they wanted with them!

The Team decided to display the books on their reception with a note saying "minimum donation of £1". The books soon flew off the shelves!

***The ViewPoint team were able to raise £370 in total.***

**Well done to all**
